

ChippyHybrid 7

Brand:

Product Code: CH07

Availability: 24

Weight: 400.00g

Dimensions: 37.50in x 0.00in x 0.00in

Price: £99.00

Short Description

NB this is a right-handed unisex club with a regular flex shaft and only shipped to the UK free of charge.

The ChippyHybrid 7 is a 34-degree club that can be used for long chip and runs. It is also a replacement to a 7 iron and it can be hit out of bunkers. This is because of the size of the head, which gives the ChippyHybrid a very good bounce in a bunker, unlike a 7 iron that will dig into the sand.

Our preferred method of payment is PayPal but you can still use your credit card and you don't need a PayPal account when you click on the PayPal link.
