

ChippyHybrid 8

Brand:

Product Code: CH08

Availability: 26

Weight: 400.00g

Dimensions: 37.00in x 0.00in x 0.00in

Price: £99.00

Short Description

NB this is a right-handed unisex club with a regular flex shaft and only shipped to the UK free of charge.

The ChippyHybrid 8 is a 37-degree club that can be used for long chip and runs. It is also a replacement to an 8 iron and it can be hit out of bunkers This is because of the size of the head, which gives the ChippyHybrid a very good bounce in a bunker, unlike an 8 iron that will dig into the sand.

Our preferred method of payment is PayPal but you can still use your credit card and you don't need a PayPal account when you click on the PayPal link.
